

## Remitting contributions via BPay

Employers can now use BPay to make easy and convenient payments to Vision Super on behalf of their employees.

To make a contribution via BPay you need a biller code and reference number. Instructions on how to work out your unique reference number are below.

Biller Code: **16618**  
Reference Number: **See below**

### How to work out your Bpay reference number

Fill in the following three boxes.

The first box relates to the plan for which the employee is a member. If your employees are Super Saver members the plan type is 18 (the field below has been pre-populated for Super Saver members).

In the second box, add the number that matches the type of contribution you are making (e.g. If you are making a Superannuation Guarantee contributions for your employees behalf, you would add "67".)

Finally, the third box is your employees Vision Super membership number.

If you fill in all three boxes you will have your BPay reference number.
